RE: Diversity MCLE Requirement

Dear Chair Jenkins:

The North Carolina Advocates for Justice (NCAJ) is writing to provide notice of our support to the North Carolina State Bar Board of Continuing Legal Education's effort to evaluate the inclusion of diversity and inclusion training as part of the annual continuing legal education requirement. This issue was raised at our Diversity & Inclusion Conference last fall and is important to our members.

Please do not hesitate to let us know how we as an organization may contribute to these discussions. If you have any additional questions, please do not hesitate to contact NCAJ's Executive Director, Kim Crouch, at (919) 832-1413 or kcrouch@ncaj.com.

Sincerely,

David Henson
